

Delhi excise policy: HC seeks ED's response on Sanjay Singh's plea challenging his arrest

NEW DELHI : The Delhi High Court Friday sought the Enforcement Directorate's (ED) response to a plea by AAP leader Sanjay Singh challenging his arrest in a money laundering case related to alleged irregularities in the now-scrapped Delhi excise policy. A single-judge bench of Justice Swarana Kanta Sharma has granted time

ED's counsel Zoheb Hossain to file a response and has listed the matter for October 17.

Appearing for Singh, senior advocate Vikram Chaudhri argued that it was a case of rampant abuse of process of law.

"It is not only important to protect my liberty, but also to set a precedent as to what is happening immediately after October 3 when the SC had given a milestone judgment in Pankaj Bansal's case," Chaudhri said. Chaudhri submitted

that the CBI first registered its FIR in the excise policy case on August 17, 2022, and till date, the agency has not called his client for any investigation. He further submitted that the ED also registered its Enforcement Case Information Report (ECIR) on August 22, 2022; In one year and two months, no summons, or notices, under Section 50 PMLA has been issued to his client "even till today", he said. On the Supreme

Court's recent judgment in M3M directors Pankaj Bansal and Basant Bansal's case, Chaudhri said, "The SC said in this judgment the ED is a premier investigating agency of the country and its attitude and action must be couched in fairness... the SC said the ED can't be vindictive while carrying out investigations. Despite this sage counsel by the SC, they appear to continue to indulge in what they believe to be correct."

Uttarakhand Chief Minister Pushkar Singh Dhami feeds an elephant during his visit to the Jim Corbett National Park, in Nainital district.

OPPO sets a new standard for foldable smartphone with the launch of Find N3 Flip in India

India, 2023: OPPO India has unveiled its latest foldable, the Find N3 Flip, priced at INR 94,999. It will become available—at 6 PM on October 22—in Cream Gold and Sleek Black at OPPO Stores, Flipkart, and mainline retail outlets. The Find N3 Flip weighs a mere 198g and measures just 8.55cm when folded – a compact fit in any purse or pocket. The smartphone also features the industry's first-ever Hasselblad-backed triple-rear-camera setup on a flip device. Commenting on the latest Find addition, Damyant Singh Khanoria, Chief Marketing Officer, OPPO India, said, After the success of the Find N2 Flip earlier this year, we are excited to introduce our latest flip, the Find N3 Flip. This new iteration improves the Find N2 Flip's winning formula with upgrades in

cover screen functionality, camera experience, and performance. While others are trying to catch up, we've established new benchmarks in the category. Our newest flip brings together a rich array of features in an elegant, compact design to offer unparalleled versatility. With such incredible features and stunning look – the OPPO Find N3 Flip is #MadeToBeIconic. The Find N3 Flip sports a large 3.26-inch vertical cover screen with a 17:9 aspect ratio. Over 90% of Android apps are optimised for vertical orientation; as a result, the Find N3 Flip supports 40+ apps—including

Gmail, Photos, Outlook, Uber, X (formerly Twitter) and Google Maps—usable directly from this display. The cover screen also supports a QWERTY keyboard to reply to emails and instant messages. It can be customised in up to 20 styles and three quick access widgets that include Messages, Camera, Battery, Recorder, Timer, and To-dos. OPPO has also added an Alert Slider on the left edge of the smartphone. This mechanical control can switch between Silent, Vibrate and Ring modes without opening the Find N3 Flip. Other upgrades include the flagship-grade 4nm MediaTek Dimensity 9200 chipset, backed by OPPO's 44W SUPERVOOC TM fast-charging technology on a 4300mAh battery – the largest on a flip smartphone.

Mandolin Sisters to perform in Delhi

NEW DELHI : After performing at over 3,000 concerts worldwide, Sreeshua and Siresha are excited to perform in Delhi, where they last performed eight years ago. "We like the people of Delhi because they enjoy the music deeply. It's great to see that kind of reaction from people," says Siresha, 32. Both sisters were five when they were first exposed to music through their father, Threemurthulu, who is a guitar player. "We used to play his guitar when he would go to work. After he saw our interest, he decided to teach us to play the guitar and eventually, also the mandolin," says Sreeshua, 33. After that, the sisters learned under Sri Rudraraju Subbaraju (who also taught U Srinivas) and Sengalipurn SV Ramamurthy. "Our father would take us to U Srinivas sir's concerts and he inspired us to play the mandolin," says Siresha. Playing Carnatic classical music on mandolin, which is a Western instrument, is a complex endeavour. "We have to perfect the gamakas and ragas, and therefore, we spend a lot of time figuring out these nuances on the mandolin," adds Siresha.
