Consolidated Profit to Equity Shareholders grew by 33%

ROE improves to 11.72% in Q2FY17, against 9.78% in Q1FY17 and 9.84% in Q2FY16

Progress of Strategic Re-orientation

In April 2016, L&T Finance Holdings (LTFH) unveiled its strategy to reach top quartile Return on Equity (RoE) by FY20, through a combination of right businesses, right structures and right people. Specific strategic initiatives were undertaken aimed at strengthening LTFH's "Right To Win" and to ensure sustained profitable growth.

Rigorous focus on identified businesses and strong execution on strategic initiatives has led to robust business growth. In these focus businesses, disbursements have grown by 28% YoY while total assets have increased by 24% YoY.

LTFH has continued to leverage technology to deliver superior customer experience and to gain market share. Mobility solutions with integrated rule based decision engines has helped sharply reduce turnaround time and standardise credit decisions.

During this quarter, LTFH announced plans to amalgamate three of its subsidiary companies, viz. L&T Finance Ltd., Family Credit Ltd. and L&T FinCorp Ltd. Judicial approvals are expected within this financial year. This amalgamation would improve capital and operational efficiency.

Management Commentary

Commenting on the results and financial performance, Mr. Dinanath Dubhashi, Managing Director, L&T Finance Holdings, said, "Since April 2016, we have been working relentlessly on implementing our strategic roadmap and we are beginning to see the results. RoE for Q2FY17 is 11.72% representing a 188 bps YoY increase. Razor sharp focus on RoE is now culturally ingrained into the organization. We will continue in our endeavour to deliver superior shareholder value through profitable asset growth and optimal operating efficiency."
